Sonja,

I just realized that [REDACTED] are on for tomorrow as well. I believe you were the analyst on those cases as well and I did the slips on them before I learned I had to include the name of the analyst on the slips. I don't know if those cases will actually get sent out but I have heard we will have trial judges tomorrow. I know we have already decided to just have you on call for tomorrow but I figured I would give you a heads up in case you need to bring any files for the specific cases if I do need to bring you in. Please let me know if this creates any problems for you. Thank you,
Max Bennett

ADA Bennett-

That sounds great. You can reach me at 413-545-2607, and it will take me about an hour to get there, maybe slightly longer depending on traffic. Thanks.

Sonja,

To be honest I do not know if that case will go to trial that day. I think it would be best to just be on call in the event that it does. What would be a good number to get in touch with you quickly if I need to?

Thank you,

ADA Bennett-

I'm just confirming that the [REDACTED] trial on Jan. 13, 2010 is still scheduled and that the defendant has not pled yet. Also, are you going to need me there at 9am, or is a later time (or even on call) better? Thanks.
